Outcomes of extension Activities are carried out in the neighbourhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years. Write description in a maximum of 500 words

Sir Isaac Newton College of Engineering & Technology is actively engaged in various extension activities to promote social responsibility among its students. Through the initiatives of the Red Ribbon Club (RRC), Youth Red Cross (YRC), and National Service Scheme (NSS), the college fosters social welfare, community service, and personal development among its students. Below is a description of each club:

National Service Scheme (NSS)

The primary aim of NSS is to develop the personality and character of students through voluntary community service. 'Education through Service' is the core purpose of NSS. The NSS unit of SINCET commenced its operations in 2018. Mr. Malaiselvaraja P, M.E., Assistant Professor in the Department of Mechanical Engineering, serves as the coordinator for the National Services Scheme.

The philosophy of NSS is encapsulated in "Not Me But You," emphasizing that the welfare of every individual is interconnected with the welfare of society. Therefore, every volunteer must strive for the betterment of society.

SINCET has been actively engaging in NSS activities in and around villages of Nagapattinam District, benefiting several communities. These activities aim to manifest students' services to the community while they pursue their education and to foster social conscience among them. Volunteers from SINCET regularly participate in activities such as volunteering at Velankanni Temple in Nagapattinam district, conducting tree plantation programs, campus cleaning drives, stress management and motivation programs, and offering career guidance for higher studies at Thirupondi, Tevur, Thalainayar, and Manakkudi villages in association with Government Higher Secondary School, Nagapattinam district.

Additionally, students from SINCET have organized various programs on first aid training, general health check-ups, and prevention of dengue in Nagore, Ettukudi Village, Nagapattinam District. The NSS club also arranged a free distribution of masks and sanitizers to the public at Sengamangalam in association with Government Hospital, Nagapattinam district. Moreover, the NSS club collaborated with Government Hospital Nagapattinam to organize a blood donation drive and a general health awareness program at Nagapattinam.

Red Ribbon Club (RRC)

The Red Ribbon Club (RRC) at SINCET was established in 2018 with the primary objective of fostering students' personalities and character through voluntary community service. Mr. Navaneethakrishnan P, M.E., Assistant Professor in the Department of Electronics and Communication Engineering, serves as the coordinator for the Red Ribbon Club. The students of the RRC engage in various activities such as a Program on HIV/AIDS and its impact on family and society at Karunganni Village, a Breast Cancer Signs and Symptoms program at Paravai Village, a Covid-19 Vaccination Camp at Valivalam Village, and a No Tobacco – Door to Door Meeting Program at Vilunthamavadi Village.

Moreover, our RRC students organized an Eye Camp at Killukudi Village and Thirupoondi Village in Nagapattinam district, in association with Aravind Hospital, Madurai.

Youth Red Cross (YRC)

The establishment of the Youth Red Cross (YRC) at SINCET in 2018 aimed to foster students' personal development and integrity through active participation in community service. Mr. Raguvaran N, M.E., Assistant Professor in the Department of Electrical and Electronics Engineering, plays a pivotal role as the coordinator for the Youth Red Cross (YRC).

The students of YRC engage in various activities such as a Dengue Fever Rally at Thiruvasal Village, a Breast Cancer Signs and Symptoms Program at Kameswaram and Erayankudy Village, Free Diabetes Detection and Awareness Camp at Melapidagai Village, and a Corona Virus Program at Ponveli Village. Additionally, our students actively participate in the distribution of Traditional Medicine (Nilavembu) at Esanoor Village, Akarapettai Village, and Puthur Village in Nagapattinam district.
