

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Co-ordinator: Mrs.S.ELAMATHI AP/CSE

Course Name : “Form Theory to Practice an Algorithmic Workshop”

Number of Day: One day

REPORT

On 11th March 2025, the Department of Computer Science and Engineering, in association with the Computer Engineers Association RETUPMOC '5G, conducted a one-day workshop for the second-year CSE students. The workshop, titled “**From Theory to Practice: An Algorithmic Workshop,**” The event was held in the Mini Seminar Hall at Sir Issac Newton College of Engineering and Technology. The workshop began with a welcome address delivered by S. Lavanya, a second-year CSE student. She extended a warm welcome to the chief guest, resource person, faculty members, and students, setting a positive tone for the event. Following the welcome address, Mr.M.Mohamed Faisal, the Head of the Department of Computer Science and Engineering, gave the felicitation speech. He highlighted the significance of the event, emphasizing how understanding and implementing algorithms plays a crucial role in the development of problem-solving skills. He also introduced the resource person, Dr.S.J.Vivekanandan, M.Tech., Ph.D., Assistant Professor and Head of the Department of Computer Science and Engineering at Dhanalakshmi College of Engineering, Chennai.

After the presentation, Dr.Vivekanandan held an interactive Q&A session where students were able to ask questions and clarify doubts regarding the topics discussed. The session encouraged active participation, with students seeking advice on real-world problems and project development. The workshop concluded with a vote of thanks delivered by M. Rubiya, a second-year cse student. She expressed gratitude to the resource person, Dr.S.J.Vivekanandan, for sharing his expertise and insights, and to the Head of the Department, Prof.M.Mohamed Faisal, for his continuous support. She also thanked all the students and faculty members who participated in making the event a success.
