### NATIONAL SERVICE SCHEME

#### Consolidated Activity Report for 2023-24

The National Service Scheme (NSS) has successfully conducted various activities during the academic year 2023-24, reflecting its commitment to societal service and community development. Through a range of initiatives, NSS volunteers have actively contributed to environmental conservation, health awareness, education, and community welfare. The key activities undertaken are highlighted below:

#### 1. Environmental Initiatives:

volunteers have played a vital role in environmental conservation through multiple temple cleaning activities at kilvelur, , papakovil Village, and aavrani puduchery Village, involving a total of 160 participants. Additionally, a school cleaning drive and a tree plantation program at Village reinforced the importance of a cleaner and greener environment.

#### 2. Health and Hygiene Awareness:

Prioritizing community health, NSS organized an awareness program on health hygiene, benefiting 100 participants. Two Blood Donation Camps at government hospital, nagapattinam saw overwhelming participation from 25 donors, promoting the noble cause of saving lives. A mental health and well-being awareness program also reached 100 attendees, stressing the importance of emotional well-being.

#### 3. Awarenessprogramms:

In an effort to promote STEM education, 45 participants were engaged in an awareness session. The voters awareness program enlightened 120 individuals about rights of votes and responsible it.

#### 4. Social Responsibility and Community Engagement:

Volunteers visited rain water saving , bringing joy and support to 30 children. A voters' awareness rally encouraged civic responsibility among 50 participants. Additionally, a community awareness and signature campaign on World No Tobacco Day engaged 150 people, advocating for a healthier lifestyle.
