## **WOMEN EMPOWERMENT CELL COMMITTEE**

### **ROLES AND RESPONSIBILITIES**

<b>Roles</b>	<b>Responsibilities</b>
<ul style="list-style-type: none"><li>• The Women Empowerment Cell Committee plays a crucial role in promoting gender equality and empowering women within various sectors, including educational institutions, workplaces, and communities. This committee is responsible for creating a supportive environment that fosters women's leadership and participation in decision-making processes.</li><li>• It develops and implements programs aimed at raising awareness about women's rights, addressing issues such as gender-based violence, discrimination, and health. By organizing workshops, seminars, and outreach activities, the committee encourages women's skills development and self-confidence. Additionally, it collaborates with local organizations and stakeholders to advocate for policies that support women's empowerment and ensure their voices are heard in socio-economic and political spheres. Ultimately, the committee strives to create a more inclusive society where women can thrive and contribute fully.</li></ul>	<ul style="list-style-type: none"><li>• The responsibilities of the Women Empowerment Cell Committee encompass a broad range of initiatives aimed at promoting gender equality and empowering women. Primarily, the committee is tasked with developing and implementing policies and programs that address women's issues, including education, health, and economic empowerment. It organizes workshops, seminars, and awareness campaigns to educate both women and the community about women's rights and gender-based violence, fostering a culture of respect and equality.</li><li>• The committee also works to identify and provide resources for women facing social and economic challenges, facilitating access to training and skill development opportunities. Furthermore, it serves as a platform for women to voice their concerns and advocate for their rights, collaborating with local organizations and government bodies to influence policy changes that benefit women. Through these efforts, the committee aims to create an inclusive environment that supports women's growth and development across all spheres of life.</li></ul>
