About us

- To produce globally competent engineering professionals with a focus on intellectual learning of artificial intelligence and data science tools with utmost professionalism.
- To enhance the problem solving skills of students with a focus to prepare them for industry expectation, support them in research areas with value based education to serve the greater cause of the society ethically.

In- plant Training / Paper Presentations/ Workshop-Students

- Ms. S. Arulpriya and Ms. R. Harini second year Artificial intelligence and data science Engineering has participated in Paper presentation event in the National Level technical Symposium at Ramakrishna Engineering College, Coimbatore.
- Ms. R. Kannihha and Ms. S. Hemapriya second year Artificial intelligence and data science Engineering has participated in Paper presentation event in the National Level technical Symposium at Ramakrishna Engineering College, Coimbatore.
- Ms. V. Priyadharshini second year Artificial intelligence and data science Engineering has participated in Paper presentation event in the National Level technical Symposium at Ramakrishna Engineering College, Coimbatore.
- Ms. M. Sairaman has completed a In-plant Training course Google Data Analytics provided by Coursera on Google Career Certification.

Class Toppers in the University Examinations

- Second year Artificial intelligence and data science Engineering student Ms. B. Madhana has secured 1st place with CGPA of 8.98.
- Second year Artificial intelligence and data science Engineering student Ms. S. Janani has secured 2nd place with CGPA of 8.7.

The chairman, vice chairman, principal and management hearty congrats!!!

Attendance Award

- Mr. S. Mugilan Second year has got 100% attendance during the academic year 2022.

Workshops / Conferences attended by the Faculty members

- Ms. H. Prabavathi, Head of the department of Artificial intelligence and data science has completed a FDP on “Foundation of Data Science”.
- Ms. S. Mahalakshmi, Assistant Professor of Artificial intelligence and data science department has completed a FDP on “Big Data Analytics” on Veranda and Edureka.
- Ms. A. Mahesh, Assistant Professor of Artificial intelligence and data science department has completed a FDP on “Network Essentials” on CISCO network academy.

Workshop organized by Artificial Intelligence and Data Science Department

Two Days Workshop on "Role of Date Science in Artificial Intelligence and Machine Learning Using Python" organised by Department of Artificial Intelligence and Date Science conducted by Edureka Learning Center on 23rd and 24th of February, 2023.

List of faculty members who produced best results in April/May'22 “UG” Examinations

DR. H. PRABAVATHI

Fundamentals of Data Science

IV Sem – B.Tech. Artificial intelligence and data science

MS. A. MAHESH

Machine Learning

IV Sem – B.Tech. Artificial intelligence and data science

MS. G. ABINAYA

Computer Networks

IV Sem – B.Tech. Artificial intelligence and data science
